

**FAA Safety Team, EA-63 FSDO, Bradley Tower, Yankee TRACON (Y-90) presents:**

## **An Evening With Bradley TRACON and TOWER**

For those of us that fly around the Bradley Class Charlie Airspace and do everything to avoid communicating with A.T.C., this FAASTeam Seminar is for you! The professionals working at this ATC facility are here to help you out when everything is going fine and especially when things are starting to go bad in your aircraft. This is an excellent opportunity to get those questions that you were always curious about answered. Like what really happens if I bust the Class C without a clearance or communication? Plan to arrive a little early for a good seat, 45 supplied by the host as well as light refreshments Northampton Aeronautics. Feel free to bring your own folding chair, plenty of room. We are planning on presenting FAA Master Pilot Awards at the start of the FAASTeam Seminar. Click on the link below to register TODAY!

**Directions:** I-91 to Rt-9 West, proceed 1/2 miles look for airport sign on left. See Maplink at [faasafety.gov](http://faasafety.gov) Meeting at Northampton Aeronautics, Inc. located at the Northampton Airport. Aircraft parking available on ramp.
